Message from the Headteacher

Dear Parents / Carers,

I can't quite believe another year is over! I would like to thank you all for your support again throughout this year, it really does make such a difference. It has been a real pleasure seeing our children throw themselves into school, and watch them grow and develop. They really do make us proud on a daily basis.

At this time of year, we say goodbye to children and staff, and we wish them all the very best for the future. We would like to make a special mention to our Year 6 children as they move on their secondary school. I know that they will continue to flourish and that they are ready for the next stage of their journey. I would also like to thank you for all of your generosity this year, with supporting events run by our fantastic PTFA, to donating to Great Ormond Street and Balloons, and for supporting all of our themed days. Thank you.

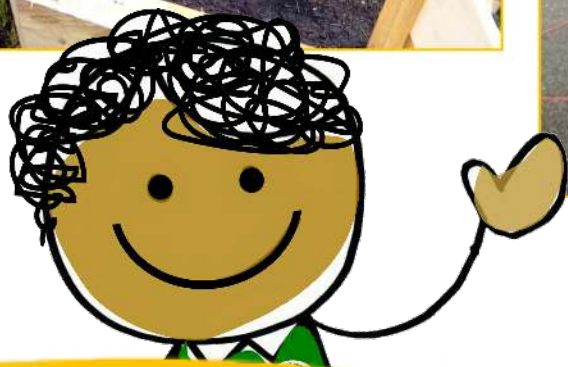

As you shop for uniform and materials for school, please can we ask that you do not send your child into school with a large backpack. We have very limited storage in school so please can children only bring in essential equipment. Thank you for your help with this.

We hope that you have a lovely summer, and we look forward to welcoming the children back to school on the 6th September.
